Jester Rejects is a family friendly highly skilled juggling and comedy act by the amazing twin brothers Kent and Kevin Mercer.

EznDil is a high energy show of traditional Celtic songs and stories and many Dad jokes. Mike and Nancee Micham love to share their knowledge of the Emerald Isle with folks.

Emperor's Needle Leather

Camelot Stage

Martika-The One-Woman Stunt Show (Martika Daniels) entertains with barbed wire hula hooping, human cutting board, swallowing swords and more. This show is family friendly with crowd interaction, laughter and leaves the audience asking, HOW DID SHE DO THAT!?

Human Chess Game a scripted staged combat by the Arthurian Order of Avalon. The recently knighted 'kitchen boy' Beaumains has returned to Arthur's court with a host of knights he has defeated on his quest to save Queen Lyonesse. Will his secret identity be revealed?

The Bilge Pumps are a pirate music group based in the Dallas/Ft. Worth area who specialize in performances that combine nautical songs, sea shanties, and Celtic music with a huge dose of silly comedy. Their show is crafted to pull the audience in, encourage them to play along with their high energy shenanigans, and have them leave with a smile on their face.

Raptors Keep (J. Dennis Smith) is a federally permitted and insured Raptor Education and Conservation demonstration program. The performance covers the roots of falconry, from a way to feed the family, through the "sport of kings" usage of falcons in organized hunts to the sport as it exists today. Additionally, they talk about rescue and rehabilitation of the birds, conservation and the dangers of poisons to wildlife.

Jousting Field

Ascension Aerial Arts (Jessica Stone, Shawna Snapp-Davis) the lovely duo, Legasi and Leonora, combines belly dance with the aerial arts to dynamic and engaging music. This is a creative athletic artform that focuses on flexibility, strength, balance and dance based artistry.

AOA Song & Dance Show is a celebration of both country and courtly dance and music in a fun, educational, and sometimes interactive way!

Joust -The Heroic Knights of Old perform at Renaissance Fairs, horse camps, and schools across the country to bring alive the epic stories of knights in shining armor. With a theatrical joust approach, they create a dynamic entertaining show of equestrian skill and drama.

The Unpronounceable Irish Band (Bruce, Angela, and Amber Cannon) plays a variety of Medieval and Renaissance period instrumental music to soothe the soul and energize the dancing feet of the Royal Court.

Troubadour Stage
